

Weekly Update: April 18-22, 2022

Maintenance:

- Pre-emergent has been completed for the homes.
- Next week we will be edging the Concrete.
- We have completed 95% of the mow for the community and we will be finishing up on Saturday.
- Barring a weather delay, we will be resetting the mow schedule back to our normal cycle. Starting on Mondays at Carter Ct. and Knox Glen, then moving toward Humphrey's Glen.

Turf Application:

- The turf application has been completed. We will be monitoring the application for control.

Pine Straw:

- The homes on the West Side of Del Webb Blvd have been completed.
- Next week, the crew will be continuing along the East Side of Del Webb then moving into Phase 7.
- We are working on the weeds prior to the pine straw being applied. We will be following the schedule to spray out any weeds that sprout back up.

Flowers:

- Due to the warming temps, the fall floral has been removed.
- Summer floral will be installed next week.

All schedules provided are weather permitting. The rotation will shift days but remain in the same order. All questions, concerns, and work requests related to landscaping and irrigation must be submitted through the NABR Network website. Ross Broadway, Account Manager, and Brian Lowe, Branch Manager, will review and respond accordingly.

Residents are reminded to reference the Landscape Service Guide on scope of service.
