

Weekly Update: April 25-29, 2022

Maintenance:

- We were off on the rotation this week we edged the beds. Next week we will be edging the Concrete.
- We have completed 95% of the mow for the community and we will be finishing up on Saturday.
- Barring a weather delay, we will work to maintain this schedule. Please remember, all schedules provided are weather permitting. The rotation will shift days but remain in the same order. Also, as the communities continues to grow, we will be adjusting it as needed.

Pine Straw:

- The homes have been completed for pine straw. We are currently finishing the COS buffer areas.
- We have been spraying ahead as the beds have been installed. We will be following the pine straw application to spray out any weeds that sprout back up. The weeds will about a week to die off.

Flowers:

- Summer floral has been installed.

Turf Application:

- I have been monitoring the community for effective treatment. Some areas are requiring a retreatment and I will give the effect areas a 24-hour notice before the retreatment.

All schedules provided are weather permitting. The rotation will shift days but remain in the same order. All questions, concerns, and work requests related to landscaping and irrigation must be submitted through the NABR Network website. Ross Broadway, Account Manager, and Brian Lowe, Branch Manager, will review and respond accordingly.

Residents are reminded to reference the Landscape Service Guide on scope of service.
