

Weekly Plans and Notes (1/03 – 1/14)

- **Opt-Out List:** Again, we have removed the Opt-Out Magnets from the mailboxes throughout the community. If you wish to sign up for the Opt-Out list, please send in a Work Order Request into Nabr Network. That way there is a record for Evergreen and Brightview. I want to thank those homeowners who have already reached out and been added to the 2022 Opt-Out List.
- **Maintenance:** So far, we have continued to focus on the grasses and perennial cutbacks. We will move into the homes once we complete the Lodge and Parkways.

[Thank you and enjoy the remainder of the weekend.](#)
