

### Weekly Plans and Notes (02/15 – 02/26)

- **Snow:** Last Week was a lot of snow and ice. We followed the instructions from the HOA and had specific areas of the Lodge open and ready for use by Sunday 02/21. With the amount of snow and ice and the cold temps no pruning was completed 2/15 – 2/21
- **Pruning:** This week we have finished pruning the Henderson, Overton Way (west), Loudon Hill, Knox Glenn and the Estates. We then started pruning along the islands leading from the Entrance to the Lodge.
  - **Next Week:** We will continue Pruning along Southern Springs Parkway and Del Webb Blvd.
- **Turf Applications:** The first application for 2021 is being scheduled to start next week on Monday. I will be updating the community on Monday with the Street schedule.
- **Leaf Management:** With our focus moving to Winter Cutbacks we will be focusing our leaf removal efforts in the landscape beds we are working in.

Have a Great Weekend!
