

Weekly Plans and Notes (03/15 – 03/19)

- **Maintenance:** We have finished all pre-emergent on all pine straw beds in Del Webb. We have finished all the winter cut backs and we are now working on spraying out weeds in beds and that will take us the next few weeks to complete.
 - Next Week: We will begin mowing next week starting at Carter Court. This first mow of the season will be a longer mow taking almost 2 weeks to complete. Weather permitting we will start weekly cuts on the week of April 5th.
- **Pruning:** We have completed the winter pruning and the next schedule pruning will begin early to mid-May.
- **Irrigation:** The main COS irrigation system will soon be activated but, we will continue to NOT run any irrigation until the weather dictates.
- **Turf Applications:** The first round Turf Application was completed 03/01 – 03/05
- **New Team Member:** Joining us here on the Brightview Southern Springs service team is Chris Lewis. Chris comes in as our new Production Manager for the team. He's been working at Lipscomb University as the Head Grounds Supervisor. He was at Lipscomb for the last 17 years with the last 10 years as Supervisor. He is knowledgeable in maintenance, irrigation, new installs and is OSHA Safety certified. We look forward to his contribution to the team here at Southern Springs.

Have a Great Weekend!
