

Weekly Plans and Notes (09/13 – 09/17)

- **Maintenance:** This week we have maintained the lower deck height in the community and have not dropped it down further due to possibly damaging the turf. We will keep it at 3.5 inches for the rest of Aeration and Over-seeding.
 - **Edging:** We will be edging the Beds next week.
 - **Next week (09/20 – 09/24):** We will not be mowing the Estates, Carter Trail & Court, Wilson Springs, Overton (east short side), Pickett PL and Clay Court. This is due to the seed being laid down. We will pick up mowing 14 days from now (around 09/29).

- **Aeration and Over-Seeding (A&O):** Aeration and Over-Seeding will be starting next week on Tuesday in the Estates. We will be following the below schedule for A&O. Please, remember we will not be mowing for 14 days after we Aerate and Over-Seed your street. The schedule is subject to change due to weather. We will update Town Square accordingly. We are applying the seed at the correct rate throughout the community.
 - **AT&T:** Last Year we had some difficulty being able to properly A&O due to the location and depth of AT&T Lines. This year we will be seeding those areas where the lines could be but, we will not be aerating them. I am sorry for the inconvenience. If you ask for that area to be completed please let Management and Brightview know in Town Square before the crew aerates that area.
 - **Highlighted Areas have been Completed.**
