**Please use TownSq to submit questions and concerns regarding Landscape and Irrigation. Ross and Brian both get those requests and will respond appropriately.**

- **Aeration and Over-Seeding (A&O):** Aeration and Over-Seeding will be starting again next week on Clay Place then move on to Overton (east). We will be following the below schedule for A&O. Please, remember we will not be mowing for 14 days after we Aerate and Over-Seed your street. The schedule is subject to change due to weather. We will update Town Square accordingly. We are applying the seed at the correct rate throughout the community.
  - **AT&T:** Last Year we had some difficulty being able to properly A&O due to the location and depth of AT&T Lines. This year we will be seeding those areas where the lines could be but, we will not be aerating them. I am sorry for the inconvenience. If you ask for that area to be completed please let Management and Brightview know in Town Square before the crew aerates that area.
  - **Highlighted Areas Yellow is Completed.**
  - **Highlighted Areas Blue designates no mowing or aerating due to rain.**
  - **A&O has been completed.**
