

Weekly Plans and Notes (11/16 – 11/20)

- **Mowing:** With it being the week of Thanksgiving we will be mowing and mulching up leaves along the Parkways and at the Lodge
 - **Next Week:** We will again start mowing the homes next week because the temps have been high enough for the grass to continue growing. We will start in the Estates then move onto Del Webb Blvd, Cannon, Bledsoe, Humphrey's Glen (Long Side), Grainger Springs, Fayette Ct, Gibson Springs, Madison St, Lawrence Ridge, Henderson, Overton (Lodge side), Loudon and Knox Glen.
- **Irrigation:** The COS Areas have been blown out and shut down for the season. There is still some new construction work on Irrigation along the West Side of Del Webb (along Knox and Loudon Hill) that will remain active for a while longer.
- **Pruning:** We will continue working on the COS areas for the next few weeks.
- **Turf Applications:** Your concerns have matched our own about the effectiveness of this year's Turf Treatments and we have taken steps to bring in a new vendor moving forward. They will be starting with this final Spot treatment for 2020 which will begin around Dec. 7th depending on weather conditions.
- **Leaf Management:** Over the next few weeks we will begin our leaf management of the property. Our focus will be on areas with high concentration of leaves down and we will move throughout the property as needed.

From Our families to yours have a Happy Thanksgiving!!!

Have a great weekend and enjoy this wonderful weather!!!
