

Recycling and Trash Service Information

Rules & Regulations for Trash Containers:

23. Trash Containers

No garbage or trash shall be placed or kept on any lot, except in covered containers of a type, size and style which are required by the applicable governing jurisdiction. Such containers shall be kept inside the garage, except when they are being made available for collection and then only for the shortest time reasonably necessary for such collection.

Waste Removal & Recycling

The City of Spring Hill provides weekly curbside pickup of all solid waste (garbage). Recyclables also are collected every other week. Upon move-in owners should sign-up for water & waste removal service with the City of Springs Hill by phone or online. Waste Removal & recycling billing will be included on water bills from the City.

Garbage Pick-up is every Tuesday

Garbage needs to be placed at the curb by 6 a.m. on your **assigned** day to ensure it is picked up. There is no specific type of garbage container required. Garbage containers can be rented from Waste Management or residents can provide their own. If you wish to rent a container from Waste Management, they can be contacted at (800) 257-9145. Container rentals are billed separately by Waste Management.

Recycling pick-up is on Tuesday of every other week- Yellow weeks - identified on the calendar on the next page.

A container for recycling will be provided and is easily identified by the yellow lid. Place all your recyclables in your recycling cart together - no need to sort - and place your cart by the curb no later than 6 a.m. on your collection day.
